## Hobby House 11' x 20'

Barn style Hobby sized greenhouse great for backyard or small acreage use. Kit includes Aluminum Storm Door, 2 extra wide aluminum windows, polycarbonate covering with UV inhibitors, 2 full length benches, heavy duty hanging basket bars and tie downs. Other options such as heat, cooling, flooring etc. are available. Other sizes are available (11 X 16, 11 X 24) Barn Style.

The traditional peak design of the Vail is versatile and is designed to meet growing needs. The Vail can incorporate the innovative Atrium vent system for cost effective natural ventilation. Rigid roof covering from acrylic to glass are available. The Vail is a great growing house with its wide spans and tall gutter heights. The one piece truss and prefabricated parts make for quick construction times. Using raised or curved bottom chords with column eliminating beams turn the Vail into a wide open for greenhouse growers or garden centers.
